

Hayley Mitchell

Senior Consultant

Helping people turn insight into lasting behavioural change and improved performance.

About

Hayley is a learning and development specialist with more than 25 years' experience across HR, leadership development and organisational learning. Having held senior leadership roles within financial services, she brings a strong commercial understanding alongside deep expertise in people development.

Hayley is passionate about helping individuals and teams improve performance, strengthen decision-making and build sustainable habits that drive success. Her work focuses on creating practical learning experiences that lead to meaningful and lasting behavioural change.

Approach

Creates practical learning experiences that focus on real behavioural change.

Combines psychology, performance science and proven learning methodologies.

Helps individuals build awareness, challenge unhelpful patterns and improve performance.

Designs thought-provoking development that delivers lasting impact beyond the learning event.

Experience

More than 25 years' experience across HR and Learning & Development.

Held senior leadership roles within financial services organisations.

Designed and delivered leadership, interpersonal skills and performance programmes.

Worked with audiences ranging from apprentices to senior leaders.

Qualifications and credentials
